

SAHARA INTERNATIONAL SCHOOL, LADWA

Education for NEXGEN

Making every child realise his dream...

Why SAHARA INTERNATIONAL SCHOOL?

In and around Ladwa, there are plenty of schools to choose from.

Why should you choose Sahara International School?

The mission of Sahara International School, Ladwa is to provide students with the best education opportunities available in the area. We prepare pupils to comprehend, to contribute and achieve in a rapidly changing society, so improving and justifying the world. Our school is dedicated to providing a safe, developmentally appropriate, and inclusive environment for toddlers, preschoolers, kindergarteners, and school-aged children.

At Sahara International School, the goal of learning at the pre-primary and primary levels is to instil self- confidence and leadership qualities in each child. Our school provides a secure, developmentally appropriate, and caring atmosphere that fosters social, emotional, cognitive, and physical development, as well as a good self-image and desire to study. Our curriculum is meant to enhance creative, imaginative, and socialization abilities. We will also take lead in developing practical and theoretical knowledge that will help students better comprehend our world and improve the local and

"DREAM, BELIEVE and ACHIEVE" is a statement that shows our understanding and beliefs. We want to make sure that our students have access to high-quality learning opportunities that are based on a comprehensive and balanced curriculum. From time to time renowned educationists will be delivering lectures to achieve our school's holistic development goal of every student

We strive to support ethnic, racial, religious, and socio-economic diversity among all constituencies of the school by developing a more inclusive curriculum, addressing a variety of learning styles; offering a wide range of diversity efforts and programs, and participating in the larger community. We believe that education should take place in a fully inclusive environment with equal opportunities for all students and that all children should learn to value religious and cultural differences.

We will teach students to be human first, then engineers or doctors later. We'll also show kids how and why to say "No" and why they shouldn't say "YES" when they don't want to. At school, we believe that the ultimate goal of human existence should be self-cultivation.

The overall development and happiness of every youngster is our motto. We will instil habits in pupils that will be stepping stones throughout their career and personal lives. Education is not about memorizing knowledge, but about training the mind to be just and reasonable. This mission distinguishes our school from the crowd, and it is for this reason that we have come to Ladwa City.
